HeART Initiative - Charleston Promise Neighborhood (CPN)

- SCDHHS is working with CPN and IFS to review data and Medicaid eligibility within their four schools: James Simons Elementary, Sanders-Clyde Creative Arts, Mary Ford Elementary, and Chicora School of Communications
- SCDHHS will help facilitate a shared eligibility worker for the 4 CPN schools and possibly the entire Charleston County School District
- SCDHHS will offer a training session on How To bill Medicaid for the service provider
- CPN hiring a Nurse Practitioner 8/1

HeART Initiative - Charleston Promise Neighborhood (CPN)

- SCDHHS is developing a turn-key packet to describe the sustainability model for other schools in the state to replicate from start to finish
- Model supports PCMH concept by ensuring the primary care practice receives school/NP report of each visit
- CPN and SCDHHS will partner to host a fall health fair to engage parents and the community in the CPN program while encouraging Medicaid enrollment

Obesity

- SPA to recognize Licensed Dietitians as a new provider type is currently under review by CMS
- On June 20th SCDHHS hosted an external stakeholder meeting to review our current status on obesity. Attendees included but not limited to MCO/MHN's, LD's, and Physicians
- Clemson/MMIS and MCO aligning systems for payment
- *Physicians will utilize two codes:

G Code	Modifier	Service	Per Fiscal Year
G0402	U5	Initial Preventative physical exam provided by a Practitioner	1
G0402	U6	Subsequent Preventive service provided by a Practitioner	5

*After 6 visits SCDHHS will require internal medical review

The provider will be required to use the 5A's as recommended by the US Preventative Task Force during the initial exam –
Assess, Advise, Agree, Assist, Arrange

Obesity

- Licensed Dietitians will utilize two codes:

S Code	Service	Per Fiscal Year
S9470	Nutritional counseling, dietitian visit service provided by a licensed dietitian	1
S9452	Nutrition classes, non-physician provider, per session service provided by a licensed dietitians	5

*After 6 visits SCDHHS will require internal medical review

ICD-9 codes listed below must be included with the G code or S code to monitor and evaluate a patient's progress through tracking their Body Mass Index

Program Participation starts at BMI of <30

V85.30	BMI 30.0-30.9	V85.36	BMI 36.0-36.9
V85.31	BMI 31.0-31.9	V85.37	BMI 37.0-37.9
V85.32	BMI 32.0-32.9	V85.38	BMI 38.0-38.9
V85.33	BMI 33.0-33.9	V85.39	BMI 39.0-39.9
V85.34	BMI 34.0-34.9	V85.40	BMI 40.0-44.9
V85.35	BMI 35.0-35.9		

Obesity

- SCDHHS in final review of a How to Enroll as a Medicaid Provider (will apply to all providers and on website)
- SCDHHS is working closely with the SC Academy of Nutrition and Dietetics during this process and creating a list of all LD's
- SCDHHS to initiate a statewide education campaign with provider offices throughout the state
- Anticipated launch date: **October 1, 2013**
